St Augustine’s father and son breakfast
St Augustine’s College’s P&C Association held a special BBQ breakfast at the College for over 600 students and their fathers, grandfathers and guardians. Beautiful gourmet breakfast items were cooked and served out of mini tents by the P&C, parent volunteers and College staff. In attendance were representatives from the Manly Warringah Women’s Resource Centre (MWWRC) to speak about the work of the MWWRC, an organisation that assists women and children who have been affected by domestic violence or sexual assault. Tracy Sheedy, mother of Ethan in Year 10 and President of the MWWRC, spoke on the current issues of domestic violence in Australia. Guests in attendance generously donated to this cause along with St Augustine’s College matching the donations made, resulting in a $2,000 cheque given to MWWRC.

Workshops for parents and teens
Several workshops for parents and teens are coming up in May. The Triple P series will be running once again on Tuesdays, May 13, 20 and 27.

There will also be a special workshop presented by Warringah Council and the Northern Beaches Business Education Network to help teens with career ideas.

The workshop will cover topics such as ATAR, VET and work placements, TAFE and university. You can also find out about apprenticeships and traineeships.

The career workshop will be held May 15 from 7pm to 9pm at the Warringah Council Civic Centre. Free, but bookings are essential on youthbookings@warringah.nsw.gov.au. For more information call 9942 2681.
