Towards a Bright Future 2025 Project
- a preferred future for St Augustine's College - Sydney

What is the Towards a Bright Future 2025 Project?

The Towards a Bright Future 2025 Project ....

- will attempt to conceptualise the future of the College – what we will look like in 2025;
- will form overarching vision on which the detail of each Strategic Plan will be built;
- it will attempt to consider the possible and probable future of the College;
- is about attempting to answer the BIG QUESTIONS.

PROPOSED

Establish a commitment to a project partnership between the College Board and College Management

Establishing a Commencement Committee to "brainstorm" ideas / aspirations

To develop a common understanding and agreement of what we want to achieve based or the College Mission Statement.

Develop an Investigation Framework

Develop "concepts" for investigation

Concept Committees formed to develop strategies to gather data/ research / investigate.
The "BIG QUESTIONS"

Establish "possibles" and "probables" for our future /synthesis of information

Report to College community
